Author Consent Statement

I / We hereby confirm and declare that:

1. The manuscript submitted to UnivColl International Multidisciplinary Research Journal is my/our original research work.
2. The manuscript has not been published previously and is not under consideration for publication in any other journal, book, or conference proceedings.
3. All authors listed in the manuscript have significantly contributed to the research and writing of the article.
4. All authors have read and approved the final version of the manuscript and agree to its submission to the journal.
5. The manuscript does not contain any plagiarism, fabricated data, or unethical research practices.
6. Proper acknowledgement has been given to all sources of information used in the manuscript.
7. If the research involves human participants, animals, or sensitive data, necessary ethical approval and participant consent have been obtained.
8. The authors agree to follow the publication ethics guidelines recommended by COPE (Committee on Publication Ethics).

Responsibility of Authors

The authors take full responsibility for:

- Accuracy of the research data
- Authenticity of the manuscript
- Proper citation of references
- Compliance with research ethics

The editorial board of the journal will **not be responsible for any legal or ethical issues arising from the manuscript content.**
